DETAILED ACTION

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 11/24/2006. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The IDS received on 11/24/2006 art fails to teach or suggest alone or in combination the limitations of inserting interval markers at predetermined intervals determined in accordance with the number of data blocks counted and a desired marker interval. Prior art is further silent on motivation to combine such features and functionality and is therefore deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
